

Hi, my name is [Your Name], and I am a constituent from [Your City or District]. I'm calling to express my support for legislation mandating the use of mouthguards in sports as recommended by the American Dental Association and ensuring that dental insurance covers the cost of custom mouthguards.

Mouthguards are essential for preventing dental injuries in sports, but the cost of custom mouthguards can be prohibitive for many families. Mandating insurance coverage will make sports safer and more equitable for all athletes.

Please support legislation that requires mouthguards in sports and mandates dental insurance coverage for custom mouthguards. Thank you for your time and consideration.

Thank you! Have a great day.
